

YOUR CHILD NEEDS ASSISTANCE IN TERMS OF INDIVIDUAL / SPECIAL EDUCATIONAL NEEDS:

WHEN APPLYING TO THE EDUCATION DEPARTMENT OF THE MUNICIPALITY, INFORM THEM

if your child :

- has a disability;
- has special educational needs;
- experiences an emotional crisis or other issues;
- you are worried about the child's emotional state.

THE EDUCATION DEPARTMENT OF THE MUNICIPALITY

Will help you to find an educational establishment that meets your child's needs best.

EDUCATIONAL ESTABLISHMENT

General education

Educational assistance is provided at all educational establishments.

Special needs education

If special educational needs of the child are significant and an individually adapted environment or specialist help (kinesitherapists etc.) is required, you will be offered a centre for special needs education or a special school.

If your child has a vision disorder, you will get assistance and consultations at the National Centre for Education of Blind and Visually Impaired People, telephone +370 679 87400.

If your child has the autism spectrum disorder, consulting is provided by the Division for Consulting Children with Development Disorders of the National Centre for Education of Blind and Visually Impaired People, telephone +370 677 58544.

Children with hearing disorders including those with cochlear implants are assisted and consulting is provided by the National Centre for Education of Deaf and Hard of Hearing People, telephone +370 664 28118.

PEDAGOGICAL – PSYCHOLOGICAL SERVICE

Child's educational needs assessment, provision of recommendations for education and educational assistance, consulting for parents.

PURPOSE

To enable the Education Department to select an educational establishment and provide assistance and services of a:

- ✓ psychologist;
- ✓ social pedagogue;
- ✓ special needs pedagogue;
- ✓ speech therapist;
- ✓ teacher for the visually impaired;
- ✓ teacher for the deaf;
- ✓ other specialists.

The Education Department of the municipality in which you are staying **will furnish you with more information.**

IMPORTANT

- If you need a sign language interpreter, please indicate this by a gesture.
- Before selecting an educational establishment, provide the Education Department with information about your needs and expectations in as much detail as possible so that they can offer an educational establishment that meets the needs of your child best.
